

SAFETY & ENVIRONMENT POLICY

EPRAKT Consulting

EPRAKT Consulting is committed to a safe and sustainable working environment.

We believe that accidents and injuries are preventable and that good safety is just good business. Our reputation and profitability depend upon our ability to manage our activities safely. To support these objectives EPRAKT Consulting is committed to:

- Compliance with all relevant Occupational Health and Safety legislation, regulations
- Consultation on health and safety issues
- Consider the health and safety impacts of our business decisions and advice
- The dissemination of OH&S information

In the environmental and sustainability arena, EPRAKT Consulting will comply with legislation, regulations and community standards (including ISO14001)
